Data Release

The following data sharing agreements are available for districts to authorize the release of assessment data from their vendors into the SLDS.

Data Release	Rostering
AIMS 	AIMS 
NWEA 	NWEA 
STAR 	STAR 

Missing Data?

Not seeing data for these 4 assessments within the SLDS?

- AIMS
- NWEA
- STAR
- FAST Bridge

This could mean that a data share agreement is not in place OR a possible rostering issue within the vendor site.

Once a data share agreement is signed, it will be on file unless you ask for it to be removed, with the exception of AIMSPlus which requires annual release.

If you are looking for the FAST Bridge data release document please contact adeziel@nd.gov
