

Goal Setting Data Planner

write questions, describe data, identify location of data

Absorb <i>What information needs to be known?</i>	Ask <i>What question(s) can lead to unknown information?</i>	Accumulate <i>Which data are required to answer the question(s)?</i>	Access <i>Where can required data be retrieved?</i>
Focus of Goal 1:			
Focus of Goal 2:			
Focus of supporting evidence for action planning:
