Statewide Longitudinal Data System

Student Growth Rate & Student Achievement

The school board has asked you to present to a group of concerned parents/community members informing them of what you have implemented to improve student growth in subgroup areas?

- What are your plans for the current school year to increase percentage of growth?
- What data do you have available to make informed decisions?

As a reminder, when looking at Professional Development this fall, we do offer SLDS Teacher training within your building. This is a 2.5 hour training, free of charge, counts towards hourly credits, and face to face. Please contact me to schedule your training! I look forward to working with you. 😊

WHAT'S NEW?!

- The SLDS will now have recorded training for MTSS & SLDS available (for Non-Credit). It is divided up into 5 short tutorial videos to take at your own pace. Located on the SLDS home page under Support>Training Videos

Missing Data?

Not seeing data for these 4 assessments within the SLDS?

- AIMS
- NWEA
- STAR
- FAST Bridge

This could mean that a data share agreement is not in place OR a possible rostering issue within the vendor site.

Once a data sharing agreement is signed, it will be on file unless you ask for it to be removed, with the exception of AIMSPlus which requires annual release.
